

FOR PROFESSIONAL USE

PRESCRIPTION FOLIARS®
Providing Agronomic Turf Solutions

Prescription Foliars® 4% Magnesium

Prescription Foliars® 4% Liquid Magnesium enhances nutrient delivery to the plant via both foliar and root uptake pathways. Contains proprietary chelators to boost product efficacy as well as nutrient activators to improve nutrient translocation.

DIRECTIONS FOR USE: Shake well. Use regularly to replenish nutrients lost through removal of clippings. **Prescription Foliars® 4% Liquid Magnesium** is a high-quality fertilizer solution that covers all types of turf feeding requirements.

FOLIAR APPLICATION: Apply 0.5 – 2.0 ounces per 1,000 sq. ft. with 45 – 80 gallons of water per acre and apply with foliar fertilizers to correct magnesium deficiencies.

NOTE: We recommend a miscibility (jar) test before tank mixing.

GUARANTEED ANALYSIS:

Magnesium (Mg).....	4.00%
Sulfur (S).....	2.00%

Derived from magnesium sulfate.
