

PRESCRIPTION FOLIARS®
Providing Agronomic Turf Solutions

Prescription Foliars® MCC 25% (Ca)
(Micronized Calcium Concentrate)

PRESCRIPTION FOLIARS® Micronized Calcium Concentrate is a unique liquid calcium nutrient with sub-micron particle size. The unique suspension and dispersive agents (all food grade) allow a greater concentration of calcium in a liquid form. The average particle size in **PRESCRIPTION FOLIARS® Micronized Calcium Concentrate** is 0.55 micron. The calcium concentration is 25% in a stable form that allows for ease of use. This product is excellent for irrigation runs or foliar application, and the particle size makes it more readily available. It can be applied as a foliar spray and through drip and overhead irrigation. Because of **PRESCRIPTION FOLIARS® Micronized Calcium Concentrate's** unique properties it is easy to mix, use and apply.

RECOMMENDED APPLICATIONS RATES:

FOLIAR APPLICATION:

Turf 1.5 – 3.0 fl. oz. per 1,000 sq. ft. Apply as soon as growth commences in the spring and repeat at 10-14 day intervals as necessary.

SOIL APPLICATION:

To improve soil penetration, addition of penetration agents is recommended. **PRESCRIPTION FOLIARS®** Micronized Calcium Concentrate can be applied using drip, pivot, or flood irrigation. Soil and plant tissue testing should be performed to determine the calcium needs of the turf and soil type.

NOTE: We recommend a miscibility (jar) test before tank mixing.

MIXING INSTRUCTIONS: SHAKE WELL BEFORE USE

Prior to any fertilizer or pesticide application all spray mixing and application equipment must be cleaned. Tank Mixing: Read ALL product labels carefully and adhere strictly to the instructions for use and advice regarding whether or not products should be tank mixed. Many variables, outside the control of Gro-Power, Inc.® can influence the performance of tank-mixed products and therefore tank mixing products is entirely at the risk of the end-user. A limited test area should be treated initially when using unfamiliar tank mixes. Gro-Power, Inc.® makes no express warranties other than those set forth herein. The manufacturer neither makes nor intends, nor does it authorize any agent or representative, to make any other warranties, express or implied, and it expressly excludes and disclaims all implied warranties of merchantability of fitness for particular purpose, or any warranty of quality or performance.
