Gro-Power® Premium Palm & Tropical Plant Food 9-3-9 is specifically designed for the unique needs of palms and tropical foliage plants. The following formulation contains methylene urea and equal parts of potash for consistent feeding up to a 3-4 month period. Micronutrients are supplied including 4% magnesium to aid in preventing/correcting chlorosis problems common to palms.

Gro-Power® Premium Palm & Tropical Plant Food 9-3-9 also contains humic acids. Humic acid may aid in the uptake of micronutrients.
